

40TH ANNUAL NMSU BULL SALE

Dedicated to L. Neil Burcham

Neil Burcham had an illustrious career at NMSU for 48 years. During this time, he taught thousands of students' animal production, livestock evaluation, genetics and coached the intercollegiate livestock judging team. Neil's character and his ability to provide clarity to complicated subjects thus making the material useful and applicable, made him a favorite among students. Neil had an unwavering dedication to student success. He was an incredible advisor, mentor and friend for his students not only during their time at NMSU but for so many, throughout life.

Neil's career expanded outside of the classroom. He was highly involved with campus student organizations, State FFA Association, State 4H Association, NM Cattle Growers, NM Angus Association, Roswell Brangus Bull and Female Sale and the American Brahman Breeders Association.

Neil was instrumental in the development of the NMSU registered Angus, Brangus and Brahman cattle. His breeding philosophy helped develop cattle that would meet the needs of producers throughout the United States. The bulls he developed will be "running around the countryside" for many years and will serve as one of his lasting legacies.

Terms of Sale

- Sale will be conducted by Integrity Livestock Sales LLC. All information on bidding and buyer registration can be found at [https:// www.integritylivestocksales.com](https://www.integritylivestocksales.com)
- Terms of sale are cash. Payments must be made in full to NMSU at the time of bull pick up. Buyers must make arrangements for payment and bull pick up by April 18th. Cash, Checks, Master Card, Visa, and Discover Cards will be accepted. All checks need to be made payable to NMSU.
- All registration papers will be mailed complete with signed transfer certificates and breeding certificates (when applicable) upon request. Please notify NMSU a minimum of two days prior to pick up of bull so that the appropriate inspections are completed prior to your arrival. All bulls must be picked up by April 21st, 2023. If bulls are not picked up by that time, a feed and yardage will be added to the cost of the bull at \$5.00/head/day. Any further expenses and arrangements associated with exportation to other countries will be the buyer's responsibility.
- The highest bidder is the buyer. Please be aware that the online bidding system will indicate that you are the "winning bid", if it does not, even if the current bull bid is what you placed, there may have been another bidder that placed that same bid first, so it must say you have the "highest bid". Any discrepancy is settled by the online-bidding system.
- All bulls will have minimum starting bid of \$2,000.00.
- All effort has been made to insure correctness of the catalog. NMSU and auctioneer will assume no responsibility for errors or omissions. Any known corrections will be made at sale time and take precedence over the catalog.
- All bulls have passed a Breeding soundness exam and tested negative for Trichomoniasis. Bulls have been vaccinated for Blackleg, IBR, BVD, BRSV, PI3 and Pasteurella and poured with Ivermectin. (Note Brahman bull failed BSE based on scrotal circumference but has been Trich tested).
